

# ESSENTIALS LAB

PROFESSIONAL GROWTH MANAGEMENT

**Our VitaLink Essentials range is being refreshed – the same excellent quality for a great price, with a new look!**

Over the next few weeks, as stocks are used up, some Vitalink Essentials products will be replaced by re-branded Essentials LAB versions. If you order the old product code, your order may be fulfilled with the replacement product. Don't worry, the products are just the same, only the branding has changed to become uniform across our entire European marketplace.

Feel free to order the new product codes, but if existing stocks remain of the old product, then these will be used to fulfil your order.
