CANNA
The solution for growth and bloom

RHIZOTONIC

- DOUBLED SHELF LIFE
- EASIER PH MANAGEMENT
- INCREASED TANK STABILITY
- SAME USAGE

From May, **RHIZOTONIC** will be upgraded! The shelf life has doubled to two years and growers no longer need to worry that **RHIZOTONIC** will raise pH levels in the reservoir. Growers already using **RHIZOTONIC** can continue to use the new formula in exactly the same way and can still expect exceptional results from their plants.
