Important Information:

If you'd prefer a Card without any rewards, other features or a Cardmembership fee, an alternative option is available – The Basic Card. Visit americanexpress.co.uk/basicbusinesscard to apply.

1. If you are approved and spend £3,000 on purchases on the Account within the first six months of Cardmembership, 20,000 bonus Membership Rewards points will be awarded shortly after the end of the six months. Business Gold or Business Platinum Cardmembers who are enrolled or have been enrolled in the Membership Rewards programme in the last six months, are not eligible for the bonus. All introductory offers are subject to change and can be withdrawn at any time.
2. The first year's Cardmembership is complimentary and from year two of your membership, a £125 annual Card fee will automatically be charged to your Account on or after the anniversary of your Account opening date.
3. The maximum amount of time for deferred payment on purchases is 54 calendar days and is obtained only if you spend on the first day of the new statement period and repay the balance in full on the due date.
4. Membership Rewards points are earned on every full £1 spent and charged per transaction. Membership Rewards points are not earned on interest, fees (including default fees), balance transfers, cash advances (including transactions treated as cash), loading of pre paid Cards, American Express® Travellers Cheque purchases or foreign exchange transactions; and any amounts that are subsequently re-credited to your Card Account by way of refunds.
