

As Hydrogarden's European operations progress, it makes sense to rationalise the brand for both the European and UK markets, to best serve both groups of customers.

The core products of the VitaLink range will be:

- **Vitalink Hydro MAX Bloom**
(Parts A and B, for hard and soft water)
- **Vitalink Hydro MAX Grow**
(Parts A and B, for hard and soft water)
- **Vitalink Coco MAX**
(Parts A and B, for hard and soft water) ¹
- **VitaLink Earth MAX Grow**
- **VitaLink Earth MAX Bloom**
- **Vitalink PlantStart**
- **VitaLink RootStim**
- **VitaLink Turbo+**
- **VitaLink Buddy**

¹ This product was formerly known as VitaLink Coir MAX

These products will be discontinued:

- **VitaLink Turbo** (although VitaLink Turbo+ remains)
- **VitaLink Finale** ²
- **VitaLink Foliar** ³
- **VitaLink Heat** ⁴
- **VitaLink Chill** ⁴
- **Vitalink Hydrate** ⁴

² This product to be taken over by **ESSENTIALS PLUS Flush**

³ This product to be taken over by **ESSENTIALS PLUS Green Up**

⁴ These three products to be taken over by **ESSENTIALS PLUS No Stress**

These additives will migrate to the ESSENTIALS brand:

- VitaLink CalMag - becomes **ESSENTIALS PLUS CalMag**
- VitaLink Silicon MAX - becomes **ESSENTIALS PLUS Silicon**
- VitaLink Fulvic - becomes **ESSENTIALS PLUS Fulvic**
- VitaLink PK - becomes **ESSENTIALS PLUS PK 13/14**
